

Dear **VANSAD Automation Limited - SI214870**

Congratulations on your recent appointment to the AVEVA Partner Network as a Registered System Integrator. On behalf of the AVEVA System Integrator program, we look forward to working with you and your local Distributor to build your business and expertise within the AVEVA Portfolio.

### **Promotion of AVEVA Partner Network Registered System Integrator**

As part of our marketing efforts, we endeavor to promote our AVEVA Partner Network System Integrators to our customers worldwide. We promote our System Integrators through our AVEVA System Integrator Directory. We also encourage you to attend events and other initiatives in which AVEVA Registered System Integrators are eligible.

As part of this welcome package, you will find an AVEVA Registered System Integrator certificate and System Integrator logo for you to use in your own promotions.

Additionally, your profile and links to your website will be listed in the Knowledge & Support Center visible to all AVEVA Customer FIRST subscribers and AVEVA personnel.

### **Global Customer Support**

Training and Support starts with your local Distributor. As a Registered SI, you are offered the Customer FIRST program Level 1 support.

### **AVEVA System Integrator Directory listing**

As a new AVEVA Partner Network System Integrator member, your company's profile can be found at the AVEVA System Integrator directory at <https://global.wonderware.com/custom/pages/si-directory.aspx>. This directory can be searched by customers as well as distributors, AVEVA Partners, and other System Integrators.

- Please contact your local Distributor for updates to your company's listing on the SI directory.
- You may send a .jpg or .gif image of your company's logo to your local Distributor to be included in the SI directory.
- Be sure we have your current email address to receive our quarterly SI newsletter.

On behalf of AVEVA Partner Network, we welcome you as a new member of the AVEVA Registered System Integrator community.

Regards,

**Tim Black**

Global SI Program Director
